

# CERE<sub>2025</sub> PROGRAM OVERVIEW

Tuesday 15 <sup>th</sup> July					
19:00	Welcome Reception at Bastille salle Lesdigières				
Wednesday 16 <sup>th</sup> July					
8:30-09:30	Registration & poster set up (and coffee ;-)				
09:30-9:45	Opening remarks				
9:45-10:45	Amphi 1: Keynote Speaker Steven Heine				
10:45-11:15	Coffee break				
11:15-12:30	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion				
	Room:	Room:	Room:	Room:	Room:
	Emotional and Sensory Modality Shift	Facial Expressions and Culture	What Texts Reveal About Emotion	610511 Symposium: A Self-determination Theory Perspective on Emotion Regulation - Chair: <b>Jolene Van Der Kaap-Deeder</b>	617450 Symposium Navigating eco-emotions: an overview of recent research on their impact on pro-environmental behaviors - Chair: <b>Ronan Bellemin</b>
11:15	602493 Musrah Andi - Can You Hear My Face? Emotional Recognition Among Deaf Individuals in Indonesia	616705 Perret-Dépiaz Elora - Facial displays interpretation among Zapotecs and Spaniards: A cross-cultural study	604995 Fernández Viña Alicia - Rivers of Ambition and Shadows of Guilt. Lady Macbeth's Descent through Aristotelian Affects	Jolene Van der Kaap-Deeder - Taking Ownership of One's Positive Emotions: The Relation From Emotion Crafting To Mental Health Across Four Weeks	Zoé Lackner - Eco-emotions in action: Two studies that highlight the theoretical issues involved in understanding the link between eco-emotions and pro-environmental behaviors
11:30	608271 Pan Zhihe - Emotion Communication in Speech Prosody: The Role of Culture and Language Tone	613405 Cong Yong-Qi - A pre-registered meta-analysis on cross-cultural emotion recognition from facial expressions: No evidence of an ingroup advantage	619031 Eyal Tal - Investigating the Link Between Emotions and Construal Level Using Language Models	Maria Elena Hernandez Hernandez - Positive and Proactive Emotion Regulation and Need Fulfillment: The Daily Links Between Emotion Crafting and Psychological Needs	Ronan Bellemin - Investigating the relationship between positive eco-emotions and pro-environmental responses
11:45	609119 Fang Xia - Bimodal Emotion Decoding: When Faces and Voices Diverge	608194 Mazhar Anushay - Emotion Knowledge Trajectories in Pakistani Preschoolers: A Multilevel Longitudinal Study	619184 Noblet Jonas - From emotion to opinion: Extrapolating appraisal dimensions to the characterization of textual opinions	Nureda Taşkesen - The Role of Parental Autonomy Support and Warmth in Psychological Well-Being: The Mediating Role of Emotion Crafting	Zoé Davreux - How are eco-emotions related to different pro-environmental behaviors among university graduates? A longitudinal study
12:00	619160 Folyi Timea - Fine-grained affective experiences can occur spontaneously and involuntarily: Nine different types of affective feelings indirectly evoked by music	619199 Gurbuz Emre - Evaluative Responses to Emotional Expression and Group Membership in the Evaluative Priming Task	618414 Wuttke Yannick - Emotional Spillover on Social Media: The Impact of Incidental Emotions on Advertising Effectiveness	Asma Rashid - The Moderating Role of Childhood Trauma in Daily Emotion Regulation and Basic Needs: An Experience Sampling Method Study On Well-Being and Ill-Being	Arnaud Sapin - What drives pro-environmental actions? Insights into eco-emotions and political perceptions among young people

12: 15	Discussion			Discussion	Discussion : <b>Aurélien Graton</b>
12: 30- 13: 30	Lunch				
13: 30- 14: 45	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion				
	Room:	Room:	Room:	Room:	
	Emotional Postures and Embodiment	Anxiety and Emotional Trauma	<b>609714</b> Symposium: Emotional Integration versus Emotional Avoidance: A Self-Determination Theory Approach to Adaptive Emotion Regulation - Chair: <b>Roth Guy</b>	<b>609342</b> Data Workshop - <b>Damien Dupré</b> - Identifying Correct or Incorrect Emotion Recognition from Facial Expression Time	
13: 30	<b>617437</b> <b>Galvagnon Coralie</b> - Pigs' tail posture during emotions of success and failure.	<b>609569</b> <b>Quezon Patricia Marie</b> - The Effect of Brief Acceptance and Commitment Therapy on Young Adults with Clinically Significant Anxiety	<b>Lisa Legault</b> - The Importance of Emotional Openness in Social Action		
13: 45	<b>618424</b> <b>Armony Jorge L.</b> Postural feedback effects on mood and risk-taking behavior in ecologically-valid settings	<b>610541</b> <b>Hevron Hadas</b> - Radical Acceptance Training Improves Coping During War: Evidence from Two Randomized Controlled Trials.	<b>Guy Roth</b> - Empathize with The Enemy: Emotion Regulation, Empathy, and Support for Pacifying Policies in Intractable Conflicts		
14: 00	<b>619274</b> <b>Totonchi Nilufar</b> - Physiological and Behavioral Changes in Uncertainty and Constraint: Decision-Making at the Last Chance of IGT	<b>618016</b> <b>Giersiepen Maren</b> - The weight of failure: Depressive tendency intensifies the loss of control following negative feedback	<b>Moti Benita</b> - The Impact of Goal Self-Concordance on Emotion Regulation during Academic Goal Pursuit: A Multilevel Latent Profile Analysis Approach		
14: 15	<b>619244</b> <b>Kastendieck Till</b> - Emotional Mimicry in Virtual Reality: Evidence Gathered with Head-Mounted Displays Featuring Integrated Electromyography Technology	<b>612588</b> <b>Fino Edita</b> - Recognition of facial expressions of emotions following war-related trauma	<b>Frederick L. Philippe</b> - Emotion Regulation in Adults' Memories of Child Maltreatment: Implications for Mental Health		
14: 30	Discussion	Discussion	Discussion : <b>Netta Weinstein</b>		
Poster session (35 posters)					
14: 50- 15: 50	Emotion Regulation 1 — Facial Expression Recognition 1 — Mental health/Mindfulness — Motivation/Values and Emotion — Neuronal correlates of emotions — Emotions and Social relations 1 — Emotions in Daily Life: Interpersonal Perspectives Across Contexts and Cultures				
15: 50- 16: 20	Coffee break				
16: 20- 17: 35	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion				
	Room:	Room:	Room:	Room:	Room:

	Hate, Stress, Creepiness and Other Sentiments	Moral Models & Social Identity	Everyday Emotion Regulation	<b>617927</b> Symposium: Affective processes in information-seeking - Chair: <b>Yoann Stussi</b>	<b>617127</b> Symposium: Research Methods and Materials for Studying Emotions in the Face - Chair: <b>Gebele Jens</b>
<b>16:20</b>	<b>608914 Martinez Cristhian</b> - The Hated One: Human and Psychological Attributions toward Hate Targets	<b>611062 Russell Sophie</b> - The Dynamic Interplay of Emotions and Perspectives in Apologies	<b>605360 O'Dea Muireann</b> - Self-Transcendent Emotions and Boredom in Daily Life	<b>Anastassia Vivanco Carlevari</b> - Images and stories of suffering: Why do people choose to engage with emotionally evocative content?	<b>Jens Gebele</b> - Do AI and Humans Look at Emotions the Same Way? A Study Using Explainable A
<b>16:35</b>	<b>610836 Cohen-Charash Yochi</b> - (Re)Discovering Sentiments: A New Lens on Workplace Affect	<b>610803 Basiyd Fellahi Haouria</b> - Driving Moral Disengagement and Moral Emotions: A Qualitative Exploration	<b>618692 Lettieri Giada</b> - Valence similarities between intermediate and final emotional states determine the plausibility of complex emotional trajectories	<b>Yoann Stussi</b> - Affective relevance and valence modulate information value learning	<b>Dennis Küster</b> - EMG-based Action Unit Recognition and Animation
<b>16:50</b>	<b>619532 Giner-Sorolla Roger</b> - Feelings of Creepiness Encourage, Rather Than Discourage, Identifying and Acting on Sexual Harassment	<b>617830 Baele Céline</b> - Exploring Moral Distress from a Componential Emotion Perspective: Evidence for a Multidimensional Construct	<b>607961 Krajuškina Maria</b> - Comprehensive Assessment of Appraisal Shifts in Reappraisal of Positive and Negative Vignettes	<b>Giovanni Leone</b> - The curious brain: Dissecting the brain mechanisms of curiosity and reward	<b>Nick van Apeldoorn</b> - From Altered Photographs to Virtual Humans: Exploring Emotional Perception in Experimental Research
<b>17:05</b>	<b>616359 Aguilera Aitana</b> - The weight of expectations: Gender role stress and fear of negative evaluation shaping women's well-being	<b>618599 Panasiti Maria Serena</b> - Reducing gastric rhythm via tVNS mitigates the effects of disgust inductions on moral emotions and behavior	<b>612503 Matthijs Marie</b> - Investigating the validity of the Situational Test of Emotion Regulation Ability in a community sample	<b>Ellen M. O'Donoghue</b> - Disentangling the influences of curiosity and active exploration on cognitive map formation	<b>Monika Wróbel</b> - The Dynamic Posed Emotional Crying Behavior Database (DPECBD): A Comprehensive Resource to Study the Multifaceted Nature of Emotional Crying
<b>17:20</b>	Discussion	Discussion	Discussion	<b>Jacqueline Scholl</b> - Foraging under threat	<b>Axel Zinkernagel</b> - Not just points in a cloud: A marker-based comparison of biases in dynamic landmark detection performance across four automatic emotion recognition systems
<b>18:00</b>	<b>Tour through Grenoble</b>				

<b>Thursday 17<sup>th</sup> July</b>					
<b>09:00-09:30</b>	Registration & poster set up				
<b>09:30-10:30</b>	Amphi 1: Keynote Speaker <b>Agnes Moors</b>				
<b>10:30-11:00</b>	Coffee break				
<b>11:00-12:15</b>	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion				
	Room:	Room:	Room:	Room:	Room:

	Emotions in Social and Educational Contexts	Emotion Across Cultures	Life Satisfaction and Well-Being	<b>612572</b> Symposium: New Insights into the Interplay between Emotion and Motivation: Responding, Resisting, and Regulating Emotions and Affect - Chair: <b>Julia Vogt</b>	<b>617549</b> Symposium: A Developmental Perspective on Emotion: Emotional Expression from Infancy to Adolescence - Chair: <b>Nikolic Milica</b>
11:00	<b>617382 Skuri Revital</b> - Teachers' Integrative Emotion Regulation as a Predictor of their Empathy and Prosocial Behavior in the Classroom	<b>603602 Kamiloglu Roza</b> - When to Laugh, When to Cry: Display Rules of Nonverbal Vocalisations Across Four Cultures	<b>617515 Steffgen Sarah Teresa</b> - Emotion regulation styles and life satisfaction in families: A triadic actor-partner interdependence model	<b>Julie Grèzes</b> - The Effect of Outcome Predictability on Social Threat Avoidance in Virtual Reality	<b>Zeynep M. Suata</b> - Developmental changes in infant affect dynamics during an emotion-eliciting task
11:15	<b>618941 Gupta Siddhima</b> - Activating the social processing mode during visual search: the additional singleton paradigm	<b>608362 Guess C. Dominik</b> - Positive Emotions as Foundation of Mindfulness and Creativity Across Cultures	<b>618619 Mignolli Giada</b> - Emotion Regulation Flexibility Questionnaire (ERFQ): Italian Validation, Invariance, and Additional Insights into Related Constructs	<b>Johanna R. Falk</b> - Affective Influences, Task Choice, and Effort: Insights from Cardiovascular Responses	<b>Julia Folz</b> - Affect dynamics during social interactions in early childhood: The role of maternal stress
11:30	<b>620848 Zitouni Abir</b> - Bridging the Gap: SEL Implementation in U.S. and European Higher Education.	<b>617824 Cochez Anouck</b> - How does explicit acculturation affect emotional acculturation over time?	<b>613828 Liu Jinrui</b> - Hedonism vs. Emotional Need Satisfaction: Folk Values and Their Relationship to Well-being	<b>K. Bernecker</b> - High Self-Control Individuals Prefer Meaning over Pleasure	<b>Clemens von Wulffen</b> - Visual production of emotions: A drawing and rating study
11:45	<b>614931 Rychlowska Magdalena</b> - Measuring group- and dyadic-oriented friendship styles	<b>608725 Rami Gabriel</b> - Role of Affect in Imaginative Culture and Belief	<b>619153 Yeung June</b> - Is it okay to feel bad? A cross-national investigation of actual-ought discrepancies in negative emotions and their impact on well-being	<b>Danfei Hu</b> - The (In)efficacy of Effort in Emotion Regulation in Depression	<b>Nikolic Milica</b> - Cross-cultural emotions reconsidered: the spontaneous production of emotions across age in Japan and the Netherlands
12:00	Discussion	Discussion	Discussion	<b>Julia Vogt</b> - "It could be so much worse?!": The Benefits of Perspective Broadening Depend on Emotion Regulation Abilities	<b>Evin Aktar</b> - Parent-to-child transmission of stranger anxiety via verbal information
12:15-13:15	Lunch				
13:15-14:30	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion				
	Room:	Room:	Room:	Room:	
	Reading Faces: Individual Skills & Social Emotion	Well-Being Across Cultures & Contexts	Cognitive and Emotional Regulation Mechanisms	<b>618030</b> Symposium: The Science of Awe: Nuances, Correlates, and Transformative Potential - Chair: <b>Jin Bihui</b>	
13:15	<b>607843 Lander Karen</b> - Individual differences in face emotion recognition ability: Exploring socio-emotional functioning	<b>618609 Teulings Irene</b> - Gratitude and Wellbeing: A Robust Relationship Across Individual Differences, but Shaped by Culture and Context	<b>619001 Mitchell Alexander</b> - Associations Between Affect-Worsening Extrinsic Emotion Regulation Strategies and Relationship Quality Across a Two Year Period	<b>Ece Tunc</b> - Awe Enhances the Sense of Immeasurability	

13:30	<b>619051 Sumer Mustafa Erdi</b> - Examining the Impact of Emotional Similarity on Face Memory and Face-Context Associative Memory in Young Adults	<b>618684 Güven İlke Nur</b> - AI as a Social Agent: The Influence of ChatGPT Interactions on Psychological Well-Being	<b>610145 Cheah Winnie</b> - The Role Of Fear And Worry In Predicting Climate Change Mitigation Behaviour Among Flood Victims	<b>Bihui Jin</b> - Basic Human Values and the Transformative Effects of Awe
13:45	<b>608463 Malinowski Pawel</b> - The Categorization of Reward, Affiliative, and Dominance Smiles: The Role of Smile Conceptualization and Dynamics	<b>618899 Yurdum Lidya</b> - Emotional responses to music across cultures and individuals	<b>618883 Miroslaw Wyczesany</b> - Out of Sight, Still in Mind: The Role of Cognitive Control in Implicit Emotion Regulation	<b>Chenxiao Zhao</b> - Exploring the Dual Nature of Awe: Effects of Positive- and Threatening Awe on Self-Transcendent Experiences
14:00	<b>616721 Mas Marine</b> - The Role of Executive Function and Emotional Salience in Alexithymia: Insights from Inhibitory Performance	<b>619209 Allison Bronagh</b> - Gossip face: A response to social context or inner felt states?	<b>619183 Sanchez Janice</b> - Inter- and Intrapersonal Emotion Regulation of Envy and Sadness at Work	<b>Ruairi Patterson</b> - Associations between Tendency to Experience Awe and Narcissistic Rivalry
14:15	Discussion	Discussion	Discussion	<b>Gosia Gocłowska</b> - How do People Perceive and React to Awe-Prone Individuals?
14:35-15:35	Poster session (36 posters) Emotion Regulation 2 — Facial Expression Recognition 2 — HCI/AI and Emotion — Emotion, Psychophysiology, Multimodality — Cognition and Emotion 1 — Politics and Emotion — In sync or not: What are the correlates of physiological synchronicity?			
15:35-16:05	Coffee break			
16:05-17:20	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion Room: Room: Room: Room:			
16:05	<b>Socioeconomic Injustice and Stereotypes &amp; Collective Action</b>	<b>Sensing Emotions</b>	<b>619239 Symposium:</b> Rethinking the Relationship Between Emotional Mimicry and Emotional Contagion: Revisiting Theoretical Models and Empirical Evidence - Chair: <b>Mauersberger Heidi</b>	<b>614278 Symposium:</b> We still need to know more about how emotions and social context interact in driving facial activity - Chair: <b>Arvid Kappas</b>
16:20	<b>618561 Koopmann-Holm Birgit</b> - Wanting to Avoid Feeling Negative: A Barrier to Becoming Anti-Racist	<b>607921 Adamczyk Anastazja</b> - Does emotion modality matter? Matching colours to faces, voices, and words representing the same 17 emotions.	<b>Kinga Woloszyn</b> - Smiling more to social sounds? Sighted and blind individuals show greater zygomaticus activity to positively valenced human vocalization than to comparably valenced instrumental sounds	<b>José-Miguel Fernández-Dols</b> - Are facial expressions context? Putting the baby in the water
16:20	<b>619149 Prikhidko Alena</b> - De-Villainizing Envy: Emotion Regulation Counseling in Addressing Systemic Inequities, Mental Health, and Radicalization Among Immigrant Populations	<b>611934 Martynova Ekaterina</b> - Positivity and Negativity Biases in Emotional Word Processing	<b>Michal Olszanowski</b> - How do you feel me when you don't see me? The role of visual contact in emotional mimicry and contagion during online simulated interactions	<b>Arvid Kappas</b> - Let's get to down to business. Putting theories on facial behavior into motion

16:35	<b>615180 Segbert Lisa-Marie</b> - Grossly Misjudged: Are Stereotypes a Consequence of Distinctiveness Within the Behavioral Immune System?	<b>617625 Jeanningros Alice</b> - Quantifying altered emotion detection of joy, sadness and disgust on overweight faces: preliminary results	<b>Konstantinos Kafetsios</b> - Testing the mimicry – emotion contagion relationship: Findings from a contextualized emotion perception assessment	<b>Ursula Hess</b> - The impact on social norms and expectations on emotional mimicry
16:50	<b>619032 Kaiser Jakob</b> - Emotional Side of Innovation: What Shapes Our Hopes and Fears About New Technologies?	<b>618567 Durfee Alexandra</b> - Comparing past and present affective aprosodia taxonomies to improve communication rehabilitation after right hemisphere stroke	<b>Oliver Lampert</b> - Two sided emotions: How ambiguous faces and social context shape emotional mimicry and contagion	<b>Raphaela Heesen</b> - A cross-cultural investigation of the impact of social context on human emotional face and hand movements in Uganda and the UK
17:05	Discussion	Discussion	<b>Heidi Mauersberger</b> - When smiles don't fit: How knowledge about intent shapes emotional contagion and emotional mimicry	<b>Nicole Nelson</b> - Expressive behaviour varies based on who you're with, and how close you feel to them
17:30-18:30	CERE's Executive Committee Business Meeting			
19:00	GALA DINNER - Stade des Alpes			

Friday 18 <sup>th</sup> July				
09:00-09:30	Registration			
09:30-10:30	Amphi 1: Keynote Speaker <b>José-Miguel Fernández-Dols</b>			
10:30-11:00	Coffee break			
11:00-12:15	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion			
	Room:	Room:	Room:	Room:
	What New Technologies Have To Offer the Science of Emotions	Exploring emotional dynamics	<b>618574 Symposium:</b> Make a move: What body motion can tell us about emotion – or not - Chair: <b>Keck Johannes</b>	
11:00	<b>615146 Lange Jens</b> - Investigating the social functions of emotions with agent-based modeling: The case of envy	<b>610510 Tonini Fernando</b> - Valence, Arousal, and Dominance in Obese and Post-Treatment Groups Exposed to Food Stimuli	<b>Johannes Keck</b> - The role of the Action Observation Network in perceiving affective body movements	
11:15	<b>619102 Hollis Anna</b> - AI and Autism: Assessing the Accessibility and Bias in Digital Companions	<b>619069 Baran Hasan Deniz</b> - Feelings of Distant Past: Emotionally Saturated Autobiographical Memories of Shame and Pride	<b>Liam Crowley-de Thierry</b> - Differential Effect of Form and Motion Cues on the Perception of Emotion from Gait	
11:30	<b>619112 Sağlam Büşra</b> - Exploring Digital Emotion Culture: A Walkthrough of Emotional Affordances on Social Media Platforms	<b>617395 Basu Sweta</b> - Reliability of measuring metacognition of emotions	<b>Nicola Hyland</b> - Making sense of what we can't see: performing emotion from a Māori lens	

11:45	<b>620150 Bell Meir Argaman</b> - Social Context Shapes Facial Synchronization - A Virtual Reality Study	<b>619061 Besson Théo</b> - Moderation of Evaluative Conditioning by Emotional Processing Indicators	<b>Hedwig Eisenbarth</b> - Moving closer: How physical distance varies with feelings of closeness, facial mimicry and psychopathic personality
12:00	Discussion	Discussion	Discussion
12:15-13:15	Lunch		
13:15-14:30	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion		
	Room:	Room:	Room:
	(Re)Appraisal Dynamics and Strategies	Embodiment and Emotional Expression	<b>612180 Symposium:</b> Intrapersonal and Interpersonal Emotion Regulation: Mechanisms, Cultural Perspectives, and Practical Applications - Chair: <b>Walker Sarah A.</b>
13:15	<b>619386 Mailliez Mélody</b> - Appraisal of certainty's effect on information processing: Attempted replications of Tiedens and Linton (2011) findings.	<b>618767 Yeshurun Yaara</b> - Facial expressions' activation and synchronization role in enjoyment and preferences during social interactions	<b>Sarah A. Walker</b> - Situational Influences on Interpersonal Emotion Regulation Strategies Among Romantic Partners
13:30	<b>619235 Uusberg Andero</b> - Don't miss the forest or the trees: A random forest exploration of appraisal shifts in reappraisal	<b>618420 Wainio-Theberge Soren</b> - Physical sources of emotional somatosensation measured by the bodily maps of emotion paradigm	<b>Shayne G. Polias</b> - Interpersonal Emotion Regulation Across Cultures: Exploring Its Impact on Well-Being and Social Dynamics
13:45	<b>619119 Uusberg Helen</b> - Appraisal Variability: A Window into the Workings of Reappraisal	<b>620931 Jain Riya</b> - Gesture-restriction: Embodied emotion view	<b>Yuhui Chen</b> - Daily-Life Benefits of Interpersonal Affect Improvement: An Ecological Momentary Assessment Study of Depression and Healthy Controls
14:00	<b>604611 Mathew Gullotta</b> - Good liars: Emotional intelligence in the ability to lie	<b>619098 Fontaine Johnny</b> - Beyond bodily arousal	<b>Michelle Tornquist</b> - Assessing the impact of a four-week cognitive reappraisal and integrative emotion regulation intervention on goal attainment
14:15	Discussion	<b>619185 Kaur Manmeet</b> - Examining Emotion Recognition in ADHD: The Role of Dynamic and Static Faces	<b>Belén López-Pérez</b> - Interpersonal Emotion Regulation as an Intervention: Can Making Others Feel Better Improve Our Own Well-Being?
14:35-15:35	Poster session (36 posters)		
	Emotion Regulation 3 — Specific Emotions — Dimensions of Emotions/Arousal and Valence — Emotions and Social Relations 2 — Cognition and Emotion 2 — Music and Emotion — Emotions and Educational psychology		
15:35-16:05	Coffee break		
	per speaker: 12min talk + 2min questions + 1min speaker change + 15min discussion		

16:05-17:20	Room:	Room:	Room:	Room:
	Affective dynamics	<b>613867 Symposium:</b> Emotions in Interactions: How Emotions Shape and Are Shaped by Social Dynamics - Chair: <b>Von Großmann Alissa</b>	<b>611925 Symposium:</b> Innovative methods to study emotion dynamics in daily life - Chair: <b>Schreuder Marieke</b>	<b>615845 Symposium:</b> Emotion Regulation in the Lab and in Everyday Life - Chair: <b>Daches Shimrit</b>
16:05	<b>619013 Smortchkova Joulia</b> - A challenge to perceptualist theories of emotion mindreading in philosophy	<b>Vanessa Nöring</b> - Emotion, Interaction, Connection: A New Paradigm for Studying Social Dynamics	<b>Marieke J. Schreuder</b> - Bouncing back from emotional ups and downs: Insights in emotional recovery using survival analyses of burst ESM data	<b>Shimrit Daches</b> - Successful Mood Repair in the Laboratory Predicts Successful Mood Repair in Daily Life
16:20	<b>606275 Rogez Laurie</b> - From Emotion to Expression: Behavioral Patterns and State-of-the-Art Consistency	<b>Carlotta Grünjes</b> - Do Benefits of Social Interactions for Well-Being Differ Depending on Interaction Partner and Modality?	<b>Peer Ole Jacobsen</b> - A Meaningful Measure for Affective Inertia in Continuous Affect Ratings	<b>Luise Pruessner</b> - Emotion Regulation Flexibility: From the Laboratory to Everyday Life
16:35	<b>617902 Veronica Domenici</b> - Changes in heart rate to aesthetic chills predict emotional complexity	<b>Nicola Ngombe</b> - Heart-to-Heart: Exploring Physiological Co-Regulation in Couples Across Distinct Emotional Contexts	<b>Otto Versyp</b> - A meta-study of perceived versus actual partner behaviors, thoughts, and emotions in relation to mood	<b>Gerly Tamm</b> - Cognitive Foundations of Rumination in Everyday Life
16:50	<b>619233 Molina Laurence</b> - Current progress in capturing real time emotions induced by exposome on human	<b>Alissa von Großmann</b> - If I Ask, Will You Tell Me? Perspective Seeking and Social Sharing of Emotion	Discussion	<b>Noga Cohen</b> - Training to Provide Emotional Support to Others as a Way to Enhance Resilience
17:05	Discussion	<b>Julia A. Freitag</b> - Reading Minds or Reading Patterns: Schema Use in Younger and Older Adults' Empathic Accuracy	Discussion	Discussion
17:30-18:00	Farewells			

**DAY 1 - 16.07.25**  
**Poster groups' presentations**  
**14h50-15h50**

Emotion Regulation 1		
602399	The Role of Integrative Emotion Regulation on Psychological Well-being: A Self-Determination Theory Perspective	Ataman Aslihan
602765	Anterior Ebullition Intervention: Exploring Pre-Emotional Outburst Factors in Emotion Regulation	Garcia Elianna

612124	Exploring Interpersonal Emotion Regulation Strategies in Parents of Children with Neurodevelopmental Conditions: A Qualitative Analysis	Ahmad Sam, Cai Ru Ying, Prosetzky Ingolf, Uljarevic Mirko, Zurbriggen Carmen, Gross James, Samson Andrea
610193	The impact of Tetris video-game on the emotional regulation and recall of words	Mikhaeva Daria, Pryakhina Tatiana

Facial Expression Recognition 1		
609607	Investigating the Relationship between Social Anxiety and Face Perception	Liu Shengtong, Elliott Rebecca, Lander Karen
609615	Induced anxiety influences the perception of negative facial expressions in single faces and face ensembles	Evgeniia Fedorova, Koch Dmitry
611392	Exploring the Role of Emotion Intensity and Background on Face Emotion Recognition	Peng Yuanyi, Lander Karen, Kafkas Alex
616402	Facial Mimicry Predicts Emotion Recognition Capacity	Amihai Liron, Maer Shachar, Yeshurun Yaara

Mental health/Mindfulness		
603577	Mindfulness and Its Correlation with Youth Mental Health	Wasylkowska Maria, Kobylińska Dorota, Holas Paweł, Mituniewicz Julian, Robak Natalia
610457	Experiential Emotion Regulation and Sleep Physiology: "Breaking the Link Between Negative Events and Sleep Disturbance"	Vandekerckhove Marie
611452	The Language of Emotion and Identity in Emergencies	Murphy Madeline

Motivation/values and Emotion		
607985	Attentional Bias to Positive and Negative Stimuli: The Role of Intrinsic and Motivational Relevance	Boğa Merve, Koyuncu Mehmet
608420	How do Achievement Goals Relate to Daily Personal Goal Pursuit? Emotion Regulation's Mediating Role	Katz-Vago Inbar, Benita Moti
610726	Is male sexual arousal an emotional state indexed by pre-attentional tendencies toward erotic pictures?	Silva Samuel, Rosa Pedro J., Joana Carvalho
618774	Human Values Elicit Negative Feelings And Therefore Ambivalence.	Maslamani Aysheh, Kanfo-Noam Ariel, Maio Greg, Mayo Ruth
618620	Cultural Differences in Beliefs about Emotions, Everyday Emotion Regulation and Affect Changes between UK and China	Ge Yiran

Neuronal correlates of emotions		
611498	Behavioural and neurophysiological correlates of enhanced L2 emotional vocabulary through targeted instruction	Bermúdez Margareto Beatriz, Pérez García Elisa, Trujillo Trujillo Cristian Camilo, Fernández Ángel, Sánchez Manzano María Jesús
618057	Odor-evoked affective responses: integrating fMRI, behavioral, olfactory, and psychometric data	Salagnon Mathilde, Delplanque Sylvain, Vuilleumier Patrik, Sander David
618358	How does thinking more positively change our brain?	Shi Chunyan, Wirsich Jonathan, Chen Zile, Vuilleumier Patrik
618627	Religious-Dependent Neural Synchronization	Zvi Yohay, Kerem Nitai, Yeshurun Yaara
618988	Emotional Vocal Instructions: Task Performance, Neural Processing, and Recognition Accuracy in Different Cultures	Zdanovica Anita, Trinite Baiba, Skilters Jurgis, Nakatani Chie

620963	The experience of attending to body signals: Neurophysiological basis of the relationship between interoceptive attention and emotional recognition.	Pizarro Claudia, Toro Mónica, Ceric Francisco
--------	--	---

Emotions and social relations 1		
617838	Prosodic Alignment and Individual's Speech Patterns as Predictors of Social Interaction Quality	Aviv Eldad, Ravreby Inbal, Yeshurun Yaara
617950	The Effect of Guilt and Shame on Construal Level and Psychological Distance	Marié Vincent, Alexopoulos Théodore
608557	Anger, disgust, and their link to aggression in the East: Testing a socio-functional account of moral emotions in Japan	Fan Lei, Molho Catherine, Van Leeuwen Florian, Imada Hirotaka, Tybur Joshua
618689	Preferred and inferred empathic accuracy strategies between romantic partners	Goldberg Juli, Eyal Tal
613839	Exploration of students' use and development of emotion skills in biomedical science lab learning	Mura Manuela

618447	Emotions in Daily Life: Interpersonal Perspectives Across Contexts and Cultures	
618447#1	Emotions in Intimate Relationships: A Cross-Cultural Perspective on Couples' Emotion Profiles and Partners' Well-being	Davide Pirrone, Anna Schouten, Eva Ceulemans, Batja Mesquita, & Lesley Verhofstadt
618447#2	Cultural Differences and Similarities in Emotions During Romantic Partners' Self-Criticism Interactions: A Comparison of Belgian and Japanese Individuals	Aurelia Lilly Scharmer, Eva Ceulemans, Batja Mesquita, & Lesley Verhofstadt
618447#3	Exploring the heterogeneity in depression through an interpersonal lens: The role of value attached to agency and communion	Rana B. Kalkan-Cengiz1, Martine Verhees, Laura Sels, Peter Kuppens
618447#4	Feasibility of a novel open question design to assess dyadic events in daily life: a daily diary study	Chiara Carlier, Peter Kuppens, Eva Ceulemans

610957	On the Dynamics and Vicissitudes of Empathy	Douglas Hollan
--------	---	----------------

**DAY 2 - 17.07.25**  
**Poster groups' presentations**  
**14h50-15h50**

**Emotion Regulation 2**

611123	Exploring Emotion Regulation through the Integration of ER Flexibility and ER Skills Models: A Network perspective	Rolland-Carichi Emma, Baeyens Céline, Bortolon Catherine
611547	Emotion Regulation of Envy: The Role of Suppression and Cognitive Reappraisal	Prikhidko Alena, Kushnerenko Dmitry, Qiu Yuxi
611837	Is it easier to reduce your sadness or disgust? On the effectiveness of emotion regulation as an effect of strategy used, emotion and HRV	Kobylińska Dorota, Mituniewicz Julian
617304	Bridging Cognitive Control and Emotion Regulation: New Findings from Meta-Analyses	Schulze Katrin, Mueller Ilka, Holt Daniel V., Putz Sam, Barnow Sven, Pruessner Luise
619030	FEEL the Difference: Concurrent and Prospective Validity of Emotion-Specific Regulation Strategies	Van Bockstaele Bram, Soenens Bart, Prinzie Peter

**Facial Expression Recognition 2**

620958	Decoding Emotions Beyond Facial Expressions: Behavioral and Neuroelectrophysiological Evidence of Contextual Influence	Toro Monica, Pizarro Claudia, Cortés Cristian, Ceric Fracisco
616639	I React to Bodies but not Faces, Replication and Extension of Aviezer et al., 2012	Pillaud Nicolas, Chassaing-Monjou Clément, Cottin Adèle
617322	Emotion recognition in Mild Cognitive Impairment (MCI): The role of face processing and emotional intelligence.	Mahadevan Rachana, Giesers Naomi, Liman Thomas, Witt Karsten, Hildebrandt Andrea, Roheger Mandy

HCI / AI and Emotion		
607844	Emerging Trends in Anxiety Sensitive Artificial Intelligence	Vanhée Loïs
611011	Too Real to Feel? Examining Avatar Realism in Digital Emotion Regulation Training	Naumann Eva
611486	A Gamepad-based Interface for Continuous Real-Time Emotion Tracing	Pathak Divya, Srinivasan Narayanan
615576	Transformative Learning and Artificial Intelligence: Emotions as Catalysts for Learning Processes	Heidelmann Marc-André

Emotion, Psychophysiology, Multimodality		
608001	Comparing Theoretical Models of Co-Occurring Emotions Using Multi-Modal Time Series Data	Küppers Sebastian, Lange Jens
619650	CAMPEONES: Continuous Annotation and Multimodal Processing of Emotions in Naturalistic EnvironmentS – Pilot Data and Preliminary Analysis	D'amelio Tomás, Rodriguez Cuello Jerónimo, Aboitiz Julieta, Bruno Nicolás Marcelo, Cavanna Federico, De La Fuente Laura Alethia, Müller Stephanie Andrea, Pallavicini Carla, Engemann Denis-Alexander, Vidaurre Diego, Tagliazucchi Enzo
619086	The Role of Awareness in Unconscious Emotional Processing: Evidence from CFS and SCR Responses	Gonul Turkmen Selen, Booth Robert
619881	Can Optical Heart Rate Measurement Track Emotional Processes in Children? Evaluating the Link Between Photoplethysmography and Emotional Processes in Preschool Children	Lorusso Sonja, Nischak Pablo, Diebold Tatiana, Burkhardt Bossi Carine, Harel Ori, Pruessner Jens, Perren Sonja
618508	The Human Affectome	Yu Alessandra N. C.

Cognition and Emotion 1		
608852	Mood modulations of affective word processing: a predictive perspective of encephalographic data	Kopaeva Ekaterina, Blomberg Johan, Roll Mikael
614218	Disentangling the influence of emotional and semantic values on inattentional blindness: theoretical and applied perspectives	Pavic Katarina, Izaute Marie, Ferrand Ludovic, Silvert Laetitia
614678	The Role of Emotion in Updating Expectations for the Distant Future	Orphal Lara, Pinquart Martin

Politics and Emotion		
610945	Perceived Threat as a Driver of Hate: Lessons from the 2024 U.S. Election in a Global Context	Aumer Katherine
618816	The Hidden Cost of Psychological Threat: How Economic Stress Fuels Emotional Suppression and Undermines Well-being	Valor Segura Inmaculada, Alonso Ferres María, Guzmán María Teresa
618906	Climate change and hope ratings modulate valence and arousal ratings of emotional images	Plonski Paul, Durgin Frank
614532	Cognitive Reappraisal in Climate Communication: Transforming Ideological Legacies for Pro-Environmental Action	Mahmoodi Kahriz Bahram

618540	In sync or not: What are the correlates of physiological synchronicity?	
618540#1	To synchronise or not to synchronise? Investigating physiological synchrony in emotional performances	Roydon Goldsack, Nicola Hyland & Hedwig Eisenbarth
618540#2	Task switching during nonverbal interactions promotes cardiac synchrony, while social anxiety reduces it. Considering the role of reciprocal attention in physiological synchrony	Sarah Boukarras, Valerio Placidi, Federico Rossano, Vanessa Era, Salvatore Maria Aglioti & Matteo Candidi

618540#3	Partner stress decreases cardiac synchronization in romantic couples	Bernadette F. Denk, Maria Meier, Sebastian Ocklenburg, Julian Packheiser, Stella Wienhold, Nina Volkmer, Raphaela J. Gaertner, Elea S.C. Klink, Stephanie J. Dimitroff, Annika B.E. Benz & Jens C. Pruessner
618540#4	Harmful to Relationships, Helpful in Adversity: The Nuanced Role of Psychopathic Traits in Partner Support, Stress and Physiological Synchronisation	Aaron Hissey, Matt Hammond & Hedwig Eisenbarth

**DAY 3 - 18.07.25**  
**Poster groups' presentations**  
**14h35-15h35**

Emotion Regulation 3		
617975	Comparing the effectiveness of putatively adaptive and maladaptive emotion regulation strategies: An experience sampling study	Rasskazova Mariia, Lyusin Dmitry
619099	Validation of Affect Labeling as an implicit emotion regulation task in a Greek-speaking sample	Constantinou Elena, Koursarou Sofia
619250	Neuroticism and the neural basis of implicit cognitive reappraisal: an fMRI study	Várkonyi Gergő, Rendes Réka, Deák Anita
608141	Emotion Regulation Flexibility Through the Lens of Resting-State Functional Connectivity	Ohad Tal, Madar Asaf, Tavor Ido, Sheppes Gal, Yeshurun Yaara

Specific Emotions		
603100	Boredom and Arousal: A Multilevel Meta-Analysis	Stempfer Lisa, Stoll Sarah E. M., Fries Jonathan, Pekrun Reinhard, Goetz Thomas
619207	Do we exhibit differential immune responses to different types of disgust?	Mungur Ramandeep, Harris Lasana, Purcell Daniel, Ogbe Orezi
610573	Evidence on female sexual arousal as an emotional state unconsciously triggered by sexual stimuli	Joana Carvalho, Rosa Pedro, Silva Samuel

615459	How Honour Amplifies the Perceived Threat of Jealousy, and Controlling Behaviour	Shaban Azad Hadi, Giner-Sorolla Roger, Pina Afroditi, Grigoropoulos Iraklis
--------	--	---

Dimensions of Emotions/Arousal and Valence		
607655	Dimensional and Categorical Emotional Ratings of Russian Nouns: The Database ENRuN-2	Sysoeva Tatiana, Lyusin Dmitry
610646	Four-dimensional neural space for moral emotions	Chen Jinglu, Santavirta Severi, Putkinen Vesa, Boggio Paulo Sérgio, Nummenmaa Lauri
611207	Comparing your "happy" to my "happy": How to assess the affective space of an individuum	Horn Francisca, Kreuzpointner Ludwig, Wüst Stefan, Schwarzbach Jens V., Kudielka Brigitte M.
612026	Exploring Emotional Granularity through Freely Generated Mental and Bodily Labels: A Network Analytic Approach	Telazzi Ilaria, Biassoni Federica, Ninivaggi Elisa, Viaggi Eleonora, Balzarotti Stefania
618725	The Role of Categorization in Emotion Differentiation	Suchkpva Ekaterina, Lyusin Dmitry
619240	The Dimensionality of Positive Valence	Brandolini Gabriel, Carter Olivia, Koval Peter

Emotions and Social Relations 2		
618990	Attachment dimensions predict how and why people regulate their partner's emotions: A daily diary dyadic study	Maccann Carolyn, Wu Bernice
619177	From Appraisals to Action: The Influence of Compassion and Distress on Prosocial Behavior	Garrido-Macías Marta, Valor Segura Inmaculada, María Teresa Guzmán
619267	Investigating the interplay of self- and other-oriented benefits in motivational and experiential component of prosocial behavior	Monnor Teerawat, Preuschoff Kerstin, Ugazio Giuseppe

Cognition and Emotion 2		
618017	Subjective valuation from individual decision-making to joint action	Navare Uma, Belkaid Marwen
619012	Develop emotional intelligence through mentalisation with Emocube for inclusion through trust and empathy	Gehringer Carol
619104	The impact of incidental emotions on decision making in job interviews	Jendroska Fabian, Wuttke Yannick
619217	Lack of robust emotion effects on attentional breadth: four web-based experiments	Martin Kolnes Martin, Uusberg Andero
619155	Physiological Manifestations in Strategic Decision-Making under Conditions of Uncertainty: Insights from the Iowa Gambling Task	Yaghoubian Elahe, Moghimi Ali, Izadifar Morteza, Kobrai Hamidreza, Totonchi Nilufar

Music and Emotion		
603772	Musical Emotion Transfer in Expert Listeners	Varga Peter, Parkinson Brian
609442	Prosodic Emotion Recognition is Associated with Musical Abilities in Children	Fasano Maria Celeste, Nuti Gianni, Monaci Mariagrazia, Filippa Manuela

Emotions and educational psychology		
618992	Moral Emotions vs. Bildung: Navigating Professional Formation in Academic Teaching and Learning	Musaeus Peter
619194	Shifting Emotions at Schools	Judeh Rebecca

618750	CambiaColore: a movement-based technology for socio-emotional learning in the classroom	Ceccaldi Eleonora
601620	Compensatory Mechanisms and Affective Consequences in Femininity and STEM Professional Goal Pursuits	Zaman Sadia, Spychalska-Waszek Hanna, Doerflinger Johannes T, Gollwitzer Peter M., Byrka Katarzyna

AI and Emotion		
613366	DiffuseFace: a database of AI-generated face portraits to enrich diversity in emotion research.	Firmani Alessia

Mental health		
618479	A scoping review on positive emotions in autism	Moreno Laura, Manfredi Mirella, Di Poi Giona, Gruber June, Mcpartland James C., Samson Andrea
619162	Processing negative stimuli and beyond: Emotional dynamics in at-risk individuals with independent or co-occurring anxiety and depression symptoms	Rendes Réka, Lang Diana Agnes, Varkonyi Gergo, Deak Anita
617689	Dissociative reactions - on the transient inability to feel emotions	Daniels Judith
